You must attach the following:

- (1) A photocopy of your valid state driver's license and
(2) A photocopy of either your joint state/federal falconry permit issued by the US Fish and Wildlife Service or your state and federal falconry permits, if issued separately.
(3) A current list of raptors held under your joint state/federal falconry permit issued by the United States Fish and Wildlife Service or your state and federal falconry permits, if issued separately.

The Florida Statutes require state agencies to approve or deny complete applications within 90-days of receipt. This office operates on a self-imposed policy to make every effort to approve or deny complete applications within 45 days of receipt. Therefore we ask you to submit a complete application and include all relevant information as attachments (i.e. scientific project proposals, site plans etc.). Complete permit applications should be submitted a minimum of 45 days prior to the requested effective date.

Mail to: Protected Species Permit Coordinator, Division of Habitat and Species Conservation, 620 South Meridian Street, Mail Station 2A, Tallahassee, Florida 32399-1600, (850) 921-5990, ext. 17310.

\* See Rule 68A-9.005 (e) (attached) for restrictions based on falconer's current classification.
