

Table D-1. Authorized Activities.

AUTHORIZED ACTIVITY	INCLUDES:	NOT AUTHORIZED TO (UNLESS OTHERWISE STATED ON PERMIT):
CONDUCT EDUCATIONAL SNORKEL/DIVE PROGRAMS	<ul style="list-style-type: none"> ▶ Allowing people to snorkel and/or dive in tanks holding marine turtles. ▶ Holding loggerheads for educational display. 	<ul style="list-style-type: none"> ▶ Allow snorkel/dive participants to approach, touch or handle marine turtles.
CONDUCT HATCHING SUCCESS EVALUATIONS	<ul style="list-style-type: none"> ▶ Conduct hatching success inventories on post-emergent nests. 	<ul style="list-style-type: none"> ▶ Conduct nesting surveys. ▶ Mark nests.
CONDUCT HATCHLING ORIENTATION INDEX (HOI) SURVEYS	<ul style="list-style-type: none"> ▶ Conducting HOI surveys. 	<ul style="list-style-type: none"> ▶ Conduct any other activity unless specifically authorized on permit.
CONDUCT NECROPSIES	<ul style="list-style-type: none"> ▶ Conducting necropsies on stranded turtles found dead or turtles that die while in captivity. 	<ul style="list-style-type: none"> ▶ Use the carcass or any parts, thereof, for any purpose not specifically listed on the permit.
CONDUCT NESTING SURVEYS	<ul style="list-style-type: none"> ▶ Nesting surveys. ▶ Marking nests. ▶ Hatching success inventories. ▶ Rescue and release hatchlings. 	<ul style="list-style-type: none"> ▶ Relocate nests. ▶ Screen nests with self-releasing or restraining screens/cages. ▶ Use a hatchery. ▶ Conduct night public hatchling releases.
CONDUCT NIGHT PUBLIC HATCHLING RELEASES	<ul style="list-style-type: none"> ▶ To conduct night public hatchling releases. 	<ul style="list-style-type: none"> ▶ Hold hatchlings for extended time to facilitate public release. ▶ Hold hatchlings in water prior to release. ▶ Conduct nesting surveys. ▶ Relocate nests. ▶ Protect nests with self-releasing or restraining cages or screens. ▶ Use a hatchery. ▶ Excavate a nest 70 (cc) or 80 days (dc) or 72 hours after first sign of emergence, which ever comes first. ▶ Use lights to lead hatchlings to the water.
CONDUCT PUBLIC TURTLE WATCHES	<ul style="list-style-type: none"> ▶ To conduct public awareness turtle watches. 	<ul style="list-style-type: none"> ▶ Conduct public awareness turtle watches with any species other than a loggerhead. ▶ Conduct more than 5 watches per week.
CONDUCT STRANDING/SALVAGE ACTIVITIES	<ul style="list-style-type: none"> ▶ Conducting stranding and salvage activities. 	<ul style="list-style-type: none"> ▶ Transfer or transport specimens (dead or live) into or outside Florida.
HOLD LOGGERHEADS FOR EDUCATIONAL DISPLAY	<ul style="list-style-type: none"> ▶ Displaying loggerhead turtles. 	<ul style="list-style-type: none"> ▶ Display rehabilitating loggerheads turtles whose health would be compromised by the display. ▶ Display any other species [except loggerheads] solely for educational display.
HOLD NON-RELEASABLE TURTLES	<ul style="list-style-type: none"> ▶ Holding any species of marine turtle of unknown origin or whose origin does not genetically match populations found in Florida waters. ▶ Holding any species of marine turtle with a disability that would preclude it from surviving in the wild. 	<ul style="list-style-type: none"> ▶ Hold any releasable marine turtle.
HOLD TURTLES FOR REHABILITATION	<ul style="list-style-type: none"> ▶ Holding sick/injured turtles for rehabilitation. 	<ul style="list-style-type: none"> ▶ Hold turtles for educational display. ▶ Hold non-releasable turtles.

Table D-1 (Page 2). Authorized Activities.

AUTHORIZED ACTIVITY	INCLUDES:	NOT AUTHORIZED TO (UNLESS OTHERWISE STATED ON PERMIT):
MAINTAIN AND DISPLAY PRESERVED SPECIMENS	<ul style="list-style-type: none"> ▶ Maintaining and displaying preserved specimens for education and/or research ▶ To transport or transfer preserved specimens within Florida. 	<ul style="list-style-type: none"> ▶ Transport or transfer preserved specimens into or out of Florida. ▶ Collect new specimens without consulting with FWC staff first.
MARK AND EVALUATE NESTS	<ul style="list-style-type: none"> ▶ Marking nests for hatching success inventories. 	<ul style="list-style-type: none"> ▶ Conduct nesting surveys. ▶ Relocate nests.
RELOCATE NESTS FOR CONSERVATION PURPOSES	<ul style="list-style-type: none"> ▶ To relocate nests. ▶ To mark nests. 	<ul style="list-style-type: none"> ▶ Conduct nesting surveys. ▶ Protect nests with self-releasing or restraining cages. ▶ Use a hatchery. ▶ Relocate a clutch at anytime after 9:00 AM the morning following deposition. ▶ Use probes (other than fingers) to locate clutch.
RESCUE AND RELEASE HATCHLINGS	<ul style="list-style-type: none"> ▶ Collecting and releasing hatchlings found on the beach. ▶ Holding hatchlings until release occurs. 	<ul style="list-style-type: none"> ▶ Conduct nighttime hatchling releases. ▶ Collect hatchlings that are still in the nest.
SCREEN NESTS WITH RESTRAINING CAGES	<ul style="list-style-type: none"> ▶ Screening nests with restraining cages. ▶ Marking nests ▶ Hatching success inventories 	<ul style="list-style-type: none"> ▶ Conduct nesting surveys. ▶ Relocate nests. ▶ Use a hatchery. ▶ Use any caging material with a mesh size smaller than 2" by 4" unless authorized to protect nests with restraining cages or if there is an alternative escape area. ▶ Use probes (other than fingers) to locate clutch.
SCREEN NESTS WITH SELF-RELEASING SCREENS/CAGES	<ul style="list-style-type: none"> ▶ Protecting nests with self-releasing screen/cage. ▶ Marking nests. ▶ Hatching success inventories. 	<ul style="list-style-type: none"> ▶ Conduct nesting surveys. ▶ Relocate nests. ▶ Screen nests with restraining cage. ▶ Use a hatchery. ▶ Use any screening material with a mesh size smaller than 2" X 4". ▶ Use probes (other than fingers) to locate clutches.
TAG TURTLES USING EXTERNAL FLIPPER TAGS	<ul style="list-style-type: none"> ▶ Flipper tagging turtles. 	<ul style="list-style-type: none"> ▶ Hold turtles for any reason other than that specified on the permit (i.e., approved research, rehabilitation, or education). ▶ PIT tag turtles.
TAG TURTLES USING PIT TAGS	<ul style="list-style-type: none"> ▶ PIT tagging turtles. 	<ul style="list-style-type: none"> ▶ Hold turtles for any reason other than that specified on the permit (i.e., approved research, rehabilitation, or education). ▶ Flipper tag turtles.
USE [LIVE] TURTLES IN EDUCATIONAL PRESENTATIONS	<ul style="list-style-type: none"> ▶ Using live turtles in educational presentations (e.g., away from the approved facility). ▶ Holding loggerheads for educational display at an approved facility. 	<ul style="list-style-type: none"> ▶ Transport or transfer turtles into or out of Florida.
